

## Artwork Eligibility & Submission

### 1. Welcome & Event Overview

The **North Sydney Community Centre Winter Art Prize** is a new, inclusive art competition celebrating creativity across North Sydney. **The 2025 theme is: “Things that bring us together”**

We invite artists from two age categories (High School Students Under 18, and open Adults) to explore the heart of community through the lens of creativity. What brings us together? Is it the quiet comfort of a shared pot of tea with Grandma, the family at a backyard barbecue, celebration rituals, a particular landscape? This year’s theme celebrates the everyday moments and cherished places that unite us.

From the iconic to the intimate, we welcome your interpretation that reflects connection, belonging, and the spirit of togetherness. Whether your inspiration is drawn from something you see, something you feel, something you do - your artwork will help shape a vibrant exhibition that speaks to the soul of our neighbourhood.

Let your canvas tell a story of unity, warmth, and the magic shared moments.
